

DELAWARE ACADEMY OF
FAMILY PHYSICIANS

Proudly presents

October 24

12:00noon-1:00pm

**The Essential Role of Primary Care in the
Diagnosis, Assessment and Co-management of
Systemic lupus erythematosus (SLE)**

Speaker: ROBIN K. DORE, MD

Sponsored by The France Foundation

Learning Objectives:

- Describe key evidence-based strategies for diagnosing SLE.
- Utilize effective strategies to assess and co-manage patients with SLE over time.
- Summarize key aspects of established treatments for SLE.
- Monitor the patient for treatment side effects.
- Formulate a plan for communication with patients about SLE and its treatment, including methods for facilitating treatment adherence.

CME

This program includes evidence-based, fair and balanced content created by experts and has been approved for AMA PRA Category 1 Credits™ and 1.0 ABIM MOC Part II points.
