DELAWARE ACADEMY OF
FAMILY PHYSICIANS

The Delaware Academy of Family Physicians is pleased to present the **2021 Geriatric Medicine Symposium**. This LIVE CME event will provide important information on how we can work with our patients to address mental health issues, encourage healthy social interaction again and provide tools that patients can utilize when they feel overwhelmed by current events and the deluge of data. Let's make sure our senior Delawareans once again have full access to their primary care physicians to help them return to the active, productive and happy life they sought to enjoy before COVID-19.

Join us at Christiana Care in Newark on Thursday, September 23 for our first LIVE event in over a year! We look forward to seeing you there.
